

Lev 05-04-17a

This is Sunday, the 17th of April, 2005. Washington, pure casual thing. Avail ourselves of the real way in the seizing of God's grace.

Father, we are grateful. For our scripture reading this morning, turn with me to Psalm 27. Psalm 27.

We often take our scripture readings from the Psalms. These are contained here in Psalm 27. But this is a Psalm.

The Lord is my light. The Lord is the strength. It came against me.

The war may rise against me. One thing I have desired. To behold the beauty of the Lord.

And now my head shall be lifted up above my head. Hear, O Lord, when I cry. You have been my help.

Teach me your way. Do not deliver me to the will. Wait on the Lord.

Be of good courage. Wait, I say. Well, the, I, in connection with this, always think a little bit.

Unlike a tired, and this is built in. Why do you think babies, have to baby now? That movement and pressure. This is why comatose patients have to have a therapist come.

Well, along with the resistance. Movement is what builds the body. And so, it's terrible to be struggling and working.

Viewpoint. David does not think this basically beats God. What is there that's strong? The Lord is the strength.

And nothing can outdo the Lord. When the wicked came against me. They stumbled.

The Lord is your strength. What if you don't know. Trying to use your own strength.

If you've got the momentum. If he's got a vulnerability. It isn't just a matter of strength.

Knowing. And, it gives you. They stumbled.

Though an army may encamp against me. David says my heart. Though war may rise against me.

In this. I'm a warrior of some sort. Realities of war.

Though war may rise against me. Imaginary offense. He has allowed something true.

You can imagine. But, you can imagine. If you're the polio.

In here. You're sending. But, it.

Honestly, I think. Saves humanity. Now that I have fought it.

God had it. So, looking at us. And through our experience.

God's future. Will have been. Once we get power.

There's an army encamped against me. Though war may rise against me. God is not.

One thing I have desired of the Lord. But, there are a lot. This is something that ought to reach into all of those.

David says. There's one. Dwell in the house of the Lord.

All the days of my life. How does. Why they still.

Give and take of. One thing I have desired of the Lord. The beauty of the Lord.

And, to anybody who does. If you leave the day alone. And, just let it.

The days. The day is evil. But, Paul says.

God meant it for good. Because, Joseph followed. By his brothers.

Blood. Shown to the father. The one that the brothers.

Fought. Was dead. And, all Israel.

But. What is the objective? For in the time of trouble. Goliath.

And, he goes. Dragging behind him. The sword of Goliath.

He grabs. And, so then he's got to. Let God hide us.

And, yet. For us as believers. The.

God is. That. Place of shelter.

He shall set me high. And, you can't be. He shall set me high.

And, he says. Now, my head shall be lifted up. But, David says.

My head shall be lifted up. I will sing. Yes, I will sing praises.

This is a celebratory. He would not be in the tavern. Do not hide your face.

But, this is a poetic. What is he really saying? Leave me. David knows the promise.

He states it in verse 10. Pilloried. And, vilified.

And, distorted view of Europe. David says. Do not deliver me to the.

Why would this be? And, you notice in verse 13. I would have lost. Basically, it says.

Unless I had believed. Unless I had believed. That I would see the goodness.

We have to. Have one. We are.

Heavenly citizens. Can't say. Ah, well.

This is sort of. Hades in a hand basket. Hang on.

Where. David says. Unless I had believed.

That I would see the goodness of the Lord. God is going to. Vindicate.

He is going to. Demonstrate. By saying.

No mention of God. In school. Shake it around.

In test. There is nothing wrong. In creation.

Observe. Is great. Every believer.

Known of God. Is manifest. But, it's great.

I have seen. Fish. Animals.

Hither and yonder. Where they are. Blossomed out of nothing.

Creation declares. So, that's good. But.

So, we need. But. You can be.

So have. You can be. The.

Pagan. Savage. Unbeliever.

They are not. Just. Wait on the Lord.

Be of. Wait on the Lord. Be of good courage.

You wait on the Lord. You be of good courage. You person.

By faith. Able. Receive the.

Test. By faith. Know I receive the instruction.

Each of those. Improve. Based on what they.

They then. Receive. By faith.

Wait on the Lord. Be of good courage. Well.

This. Is. The.

What do you do. God. Is.

David understood.
